Re: Logan Township Petition for Initial Plan Endorsement – Consistency Report

Dear Mr. Spinelli:

We have reviewed your Consistency Report letter dated February 22, 2008 and on behalf of Logan Township we would like to thank you for working so diligently with us throughout this process. It is the Township's intent to move forward and work under an Action Plan and MOU with the SPC. We will be glad to work with you to amend the petition and supplementary documents in a manner that the Township's petition would be deemed consistent.

Please feel free to contact me if you have any questions or are in need of additional information. We look forward to working with you towards consistency.

Very truly yours,

  
Mayor Frank W. Minor
